

5X
MORE DEGREASING POWER

HEAVY DUTY

Condensers & Evaporators

Safe for Food Processing Areas

1 U.S. Gallon (3.785 liters)

BENEFITS

Viper Heavy Duty is a concentrated version of our popular 2 in 1 Viper Aerosol Coil cleaner and degreaser. It can be used on both condenser and evaporator coils. No rinse is required on Evaporators. Dilutions of 20:1 or greater can be used on Condensers and do not require rinsing. Viper Heavy Duty is free of hazardous chemicals, toxic odors, and won't burn your skin. It is OEM approved for aluminum and microchannel coils, friendly on all plastics and rubber. Please visit our website for more information.

DILUTION INSTRUCTIONS

- 5:1 for Heavy Duty Cleaning
- 10:1 for Medium Duty Cleaning
- 15:1 for Light Duty and spray and wipe cleaning
- 20:1 for non-rinsing on condenser coils

Manufactured by:

a Family Company Since 1987.

DIRECTIONS

- Turn off or Disconnect all power from system.
- Spray Cleaner and saturate coil with fluid.
- Wait 5-10 Minutes to allow fluid to loosen and remove Dirt, Grease, and Grime.
- Evaporator Coils: No rinse
Condenser Coils: Rinse if water is available. No rinse at a 20:1 or higher dilution.
- In food processing areas: Remove or protect all food and packaging materials. Rinse with potable water after use if contact with food or packaging material is expected.
- All done! Put system back into operation.

Part# RT390G

OUR STORY

**Designed
by a service tech
for a service tech**

"As a service technician for over 17 years, I combined my HVAC/R expertise with my chemistry background to develop a family of products that every technician will want on their truck. Refrigeration Technologies is the most trusted name for innovative products in the industry."

Thank you for purchasing!
