

VIPER PAN & DRAIN TREATMENT

STOP CHRONIC DRAIN BLOCKAGE

Viper Condensate Pan and Drain Treatment is a sprayable gel that contains enzymes and silicone detergents. The enzymes are natural biological disruptors that will penetrate and break through the solid layers of slime, sludge and sediment. The silicone detergents coat the pan, p-trap and drain piping with a lubricative film to improve flow and prevent future soil adhesion. The slow dissolving gel will outperform and outlast conventional tablets and strips..

Non-Toxic

Eliminates Odors

Safe for all Metals and Plastics

Biodegradable

EPA Compliant

PAN & DRAIN CLEANER

P/N: RT800S

QUART

Registered for use in all food processing areas.
