

Introducing

THE VIPER SNIPER

UNIVERSAL AEROSOL TRIGGER SPRAYER

Upgrade your spray control with the Viper Sniper.
*This ergonomic trigger handle reduces finger fatigue
and fits all standard aerosol cans, including Viper coil cleaners
and coatings, for smooth, consistent application every time.*

Key Features

- Ergonomic full-hand grip for comfort & control
- Universal fit for standard aerosol cans
- Quick-attach side clips—no tools required
- Durable & reusable across multiple products

How to Use

- Align the trigger over the spray nozzle.
- Squeeze side clips and press down to secure.
- Spray using full-hand grip for controlled application.
- Squeeze side clips to remove when finished.

Part # RT303S
